# Trustee Report September 2018

I would like to welcome everyone back to a new school year and to thank you for supporting your school through your involvement with School Councils.

The Board will be hosting its annual Committee of School Council kick off pizza supper on October 3. An invitation will be coming out soon to invite your COSC representative and the school principal to meet ahead of the first meeting for pizza and refreshments while providing a chance to connect with other school council representatives, representatives of the Board and Senior Administration as we launch another year of working together.

The Board held its first Board meeting of the year on August 30. The Board approved a number of amendments to Board polices to address changes in Senior Administration positions and a request from Alberta Education to make some minor language change to Policy 19 Welcoming, Caring, Respectful and Safe Learning and Working Environment. The Board also held its annual Organization meeting where the Chair and the Vice Chair are elected to serve the Board. I'm honoured to be elected by acclamation as Board Chair for my 6<sup>th</sup> consecutive year. Heather Wall was elected by acclamation as Vice Chair for her 2<sup>nd</sup> consecutive year.

I look forward to serving as your Board liaison for the 2018/19 school year.
