

BrightSpace Hardware Guide

What you will need:

1. Computer (PC or Mac)
 - a. Student Google Account
 - i. johnab34@g.eips.ca (if you need help with the password, please contact your child's teacher)
 - b. Google Chrome (if you are downloading, it will be the latest version)
 - i. Download the latest version of Google Chrome
 - ii. Do a quick search for "Google Chrome" and it'll prompt you to download the proper version of Chrome on your computer
 - c. [BrightSpace Student Portal](#)
2. Chromebook
 - a. Student Google Account
 - i. johnab34@g.eips.ca (if you need help with the password, please contact your child's teacher)
 - b. Google Chrome is built-in
 - i. Make sure you are creating a new separate account for your child (if you have other Gmail accounts).
 - c. [BrightSpace Student Portal](#)
3. iPad (or other tablets)
 - a. Student Google Account
 - i. johnab34@g.eips.ca (if you need help with the password, please contact your child's teacher)
 - b. Apps that you will need to install on the iPad
 - i. BrightSpace Pulse (this is what you will need to access BrightSpace)
 - ii. Google Chrome Browser
 - iii. Google Meet
 - iv. Google Docs
 - v. Google Slides
 - c. Please log in using the BrightSpace Pulse App.

Note: Please do note that the interface will look a little different while using the iPad. Most functionality will be available but it might be hidden under menus. I highly recommend using a computer while accessing BrightSpace.
